

Medical Courier

1-888-884-0888

Pillow Logistics provides dedicated Medical Courier Services to Hospitals, Long Term Care Pharmacies, Reference Laboratories, Specialty Pharmacies, and their suppliers throughout Indiana.

Patient care is what we provide, not just another package delivery. Our dedicated team of medical specialist provides custom solutions for time critical tissues, specimens, blood, and other areas where the cost of failure is too high.

All of our medical couriers are HIPAA Trained and Compliant, pass vigorous drug and background screenings, and are certified to perform client specific services.

Our client portal allows you to schedule, track, and retrieve orders. It also provides real time signature capture, scanning, and typed in "Proof of Delivery" accessible for up to 7 years.

HERE ARE A FEW EXAMPLES OF THE SERVICES WE PROVIDE:

- Laboratory Routes/STATS/Sameday
- Bio-Pharma
- LTC Distribution
- On Demand/Same Day Services (EXCLUSIVE Medical Only STAT Services)
- Cold Chain
- Tissue and Organ Transport
